To Whom It May Concern:

Gryphon Phoenix has completed 20 hours observing and volunteering in Physical Education at the secondary level. During these hours he has proven to be reliable, eager and very enthusiastic about entering the teaching profession.

Gryphon observed Archery, Individual and Dual Activities, a review day and the administration of finals in Physical Education at Arcata High School. He circulated the class and provided students with pointers and positive feedback. In the short amount of time spent here it seems Gryphon has the patience and skills to become an excellent teacher.
