To Whom it May Concern:

Gryphon Phoenix has been volunteering in my 7th and 8th grade physical education classes at Jacoby Creek School. He has arrived on time everyday and always conducts himself in a professional manner. He has jumped in and been helpful with whatever task I have asked him to do. Gryphon is very serious about physical education and becoming a teacher. I believe he will devote himself to being an excellent student in the HSU Credential Program. He is on track to complete his 46 volunteer hours by June 13, 2018.
