| Total Service Hours: |             |                   |                   |               | 52.7  |

Each volunteer or intern was screened according to the CA Education Code and district requirements and received basic training and support services from a Volunteer/Intern Manager and a classroom educator.

These hours have been verified and were performed under direct supervision by the classroom teacher.

The volunteer or intern received satisfactory reviews by his/her supervisor(s).
